ADMISSION

The following documents must be submitted to the Department of Education:

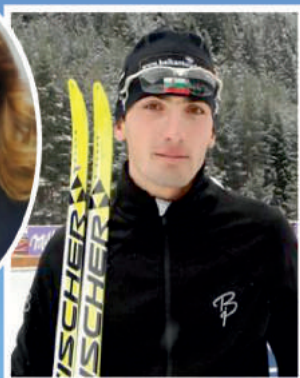

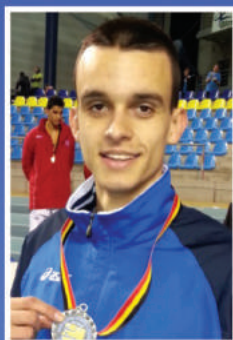

- A certified translation of applicant's diploma for secondary education;
- A document certifying the applicant's eligibility to continue his/her studying at university
- A medical certificate issued not earlier than 30 days before the application procedure and validated by the respective authorities in the applicant's country;
- The Diploma and the medical certificate must be legalized, and validated in accordance with the intergovernmental agreements between the Republic of Bulgaria and the country of issuance. In other case the documents must be legalized, translated and validated according to the standard procedure for the legalization, translation and validation of documents and other official papers (apostille);
- 4 recent photographs.
- Application form (to be filled out at the Department of Education).

Applicants submit their documents until end of July.

Foreign students who don't speak Bulgarian are provided with opportunities for intensive preparation at the NSA. The duration of Bulgarian language course is 1 year; the fee per each academic year is € 3200. Afterwards, EU citizens can apply for admittance under the conditions determined for Bulgarian citizens.

Non-EU foreign citizens follow a language preparation year and study in Bachelor's or Master's degree programme against payment. The tuition fee is € 3200 per year.

NSA offers Bachelor and Master programmes in English, in case a group of minimum 6 people has enrolled for certain programme. The tuition fee per year is € 4,000.
