

To
The Specialized scientific jury in relation
with procedure for occupying the academic
position "Associate Professor" at National
Sports Academy "Vasil Levski"
for the needs of the Department of “Basketball, Volleyball,
Handball” according to order: 3П-86/24.01.2021 г.

STANDPOINT

by Associate Professor Emil Avramov, Ph.D.

Member of a scientific jury in a competition for occupying the academic position "Associate Professor", in the field of higher education, 7. Healthcare and sport, professional field, 7.6. Sport, Specialty (Handball) promulgated in the State Gazette, issue 96 of 19 November 2021.

In order to participate in the competition, documents of one candidate had been deposited in the statutory deadline – Sasho Georgiev Chanev, PhD. The presented documentation meets the requirements of the Law on the Development of the Academic Staff in the Republic of Bulgaria, the Regulations for the application of the Law for the Development of the Academic Staff and the Regulations for Acquiring the Scientific Degree "Doctor of Sciences" and for occupation of academic positions in the NSA "Vasil Levski".

Ch. Assistant Professor Sasho Chanev was born in the village of Ilindentsi. Longtime handball player. As a competitor in the handball team of VIF / NSA / he has won numerous prizes in state competitions. In 1991 he graduated from VIF "Georgi Dimitrov" / NSA "Vasil Levski" with a degree in Sports (handball coach) and Pedagogy (teacher of physical education and sports). In 1994 he started working as an assistant in handball at the Department of Basketball, Volleyball, Handball. In 2018 he defended his dissertation on "Age peculiarities in the development of the specific working capacity of adolescent handball players" to obtain the educational and scientific degree "Doctor".

Teaching, coaching and expert activity.

Ch. Assistant Professor Sasho Chanev has been a lecturer for more than 33 years. He teaches undergraduate students. His teaching activity consists of conducting seminars and practical exercises in handball. There is a full workload provided.

Apart from being a teacher, Sasho Chaney works as a coach. He has won championship titles for juniors several times, as well as the title "Bulgaria Cup". He is a member of the coaching and methodological commission at BFH. He is a member of research teams that have developed two internal research projects of NSA and MMC. He is the president of a handball club at the NSA. He speaks Russian and English.

Supervisor of 1 graduate of the Bachelor's degree, who successfully defended their dissertations.

Publishing and project activities

Ch. Assistant Professor Sasho Chaney presented a list and copies of his scientific works in a total volume of 13 titles. This list includes: abstract of the dissertation for the award of ONS "Doctor", monograph - 1 copy, publications in refereed editions - 12 copies.

The monograph examines the peculiarities of selection in handball. Presented are developed by the author, Legislation for the assessment of physical development and specific performance of applicants for admission to the profile "Handball" of Bulgarian sports schools. An essential part of the monographic work is the third section "Peculiarities of the game activity and competitive realization in handball".

The scientific publications of Ch. Assistant Professor Sasho Chaney addresses the problems of specific abilities and qualities that build the individual model of a successful handball player. On this basis, the main morphological features characterizing the physical development of handball players have been revealed. A normative base for control and optimization of the sports training of 17-19 year old handball players on 34 indicators has been developed. A system for registration and statistics of handball hits has been developed and tested in practice. An assessment of stress reactions in handball players was also made.

The scientific works of Ch. Assistant Professor Sasho Chaney are cited in authoritative international publications.

Ch. Assistant Professor Sasho Chaney has participated in six national research and educational projects and one international.

Conclusion

The analysis of the materials submitted to me for review and the accompanying documentation concerning teaching and publishing activities

showed that Head Assistant Professor Sasho Georgiev Chaney is a proven professional in the field of teaching and research, with proven track record in theory and practice. Therefore, with completely objective reason and conviction, I propose the academic position of Associate Professor in higher education 7. Health and sports, professional field 7.6. Sport, specialty Sport (handball), for the needs of the Department of "Basketball, Volleyball, Handball" at the National Sports Academy "Vasil Levski" to be occupied by Sasho Georgiev Chaney, Ph.D.
